## WHAT IS YOUR SKILL AND WILL?

**Champions aren't made in gyms. Champions are made from something they have deep inside them, a desire, a dream, a vision. They have to have the skill and the will. But the will must be stronger than the skill.**

## TYPES OF FEDERAL STUDENT AID

As the largest provider of financial aid, the U.S. Department of Education's office of Federal Student Aid provides grants, loans, and work-study funds.

Grants are free money that do not have to be repaid.

Student loans are real loans (like a car or home loan) that need to be repaid with interest.

A work-study job gives you the opportunity to earn money to help pay your educational expenses.

## AWARD

Your award letter explains the combination of federal grants, loans, and work-study a college is offering you. The offer might also contain state and institutional aid. If you receive award letters from multiple colleges or career schools, you should compare them and decide which school works best for you.
