- How to use Text Banking:
 - Once enrolled send an approved command to 1-866-217-3305
 - Approved Commands:
 - BAL Returns the available balance for all enrolled accounts
 - BAL Account Name Returns the balance for specific account (Example for account ending in 1234: BAL 1234)
 - HIST Returns the last 5 transactions for all enrolled accounts
 - HIST Account Name Returns the last 5 transactions for specific account
 - XFER Moves funds from one account to another when the information is transmitted in the following order: XFER + From Account Name + To Account Name + Amount (Example XFERR 1234 5678 5.00 or XFER ck1 ck2 5.00)
 - HELP Returns a list of available commands
 - SUSPEND or STOP Suspends text services
 - Please note:
 - Text baking commands are not case sensitive
 - Text banking commands will not work if a signature line is attached in the text message or if there is any other verbiage or characters such as a carriage return

TEXT / PUSH ALERTS

• How to setup Text alerts or push alerts:
